

Undergraduate Degree Plan Checklist

Major: Philosophy

To earn a major in any of the programs below, students need to complete at least 30 credits in one of the five major areas below (Theology, Philosophy, English in the Humanities, Sacred Art and History in the Social Sciences), with 9 of those credits in upper-level coursework (300 or above).

Students desiring to double major need to complete at least 30 credits in each of any two of the areas below, with 9 of those credits in upper-level coursework (300 or above) within each major. Students interested in pursuing the double-major option will work with their academic advisor to shift an elective from a non-major area of study into a major area of study.

All other undergraduate courses that come into existence within our catalog but are not listed below are considered electives and may be written into the "Other" categories below in completion of the degree plan.
