Rather, it provides reasonable assurance about the quality of opportunities available to students who attend the institution.

Inquiries regarding the accreditation status by the Commission should be directed to the administrative staff of the institution. Individuals may also contact:

ABOUT HOLY APOSTLES COLLEGE & SEMINARY

A. Mission

The mission of Holy Apostles College and Seminary is to cultivate lay, consecrated and ordained *missionary disciples* for the purpose of evangelization.

B. Animating Purpose

To facilitate by our mission and vision the preaching of Jesus Christ to the edges of society and ends of the earth for the salvation of souls.

C. Vision

The vision of Holy Apostles College and Seminary is to be the premier provider of online and on-campus Catholic undergraduate and graduate education. We envision each graduate as a competent and courageous missionary disciple of Jesus Christ according to his or her state of life, ministry, or apostolate.

D. Goals

- To maintain excellence in teaching/learning, research/discovery, and service/engagement through the Liberal Arts, Philosophy and Theology.
- To guide students to integrate their search for truth with a personal relationship to Christ.
- To animate the entire college and seminary experience with a recognizable, distinctive, unambiguously Catholic spirit.
- To assist students to formulate a coherent worldview based on faith and reason.
- To instill in students a devotion to Liturgy, prayer and service and the cultivation of community as well as excellence in academics.

E. Online Learning Programs

The Associate of Arts, Bachelor of Arts, Master of Arts, Graduate Certificate, and Post-Master's Certificate programs through Online Learning are designed to serve students who desire to pursue coursework online at a Catholic college. There is no general residency requirement for online students. All A.A., B.A., M.A. and certificate programs can be completed entirely online.

Technical Requirements: Students should have access to a reliable computer and Internet connection throughout their coursework. Because the learning management system, Populi, and the synchronous conferencing systems (which professors may use from time to time to engage students in lecture content or to present guest speakers) are web-based, no special software is necessary. However, professors may require Microsoft Office Suite products, such as Word, Excel, and PowerPoint, or OpenOffice. It is the student's responsibility to purchase or download these programs if and when necessary. Any synchronous sessions offered by faculty are optional for students to attend live. Populi can only run on the latest versions of Google Chrome, Firefox, or Safari Web Browsers.

Holy Apostles College and Seminary maintains a student help desk for questions concerning Populi, the learning management system. The help desk is administered by Mrs. Jennifer Arel, who may be reached via email at jarel@holyapostles.edu. Please note that students need basic computer skills since Holy Apostles College and Seminary does not teach these skills.

F. History

In 1956, The Very Rev. Eusebe M. Menard, O.F.M., founded Holy Apostles Seminary in Cromwell, Connecticut, to provide a college-level program of education and formation for men discerning a vocation to the priesthood. Holy Apostles Seminary started as a college-level, preparatory seminary, which Father Menard entrusted to the Missionaries of the Holy Apostles.

In 1972, in accordance with both the directives of Vatican Council II and its responsibilities to the larger Christian community, Holy Apostles College and Seminary broadened its purpose to include undergraduate degrees for men who were not seminarians and for women. Both Associate of Arts and Bachelor of Arts degrees were offered.

In 1978, the focus of the seminary program broadened to include a graduate degree program in addition to the undergraduate seminary program. For the first time, seminarians were able to earn the Master of Divinity degree and complete the entire program of priestly formation at Holy Apostles Seminary.

In 1979, Holy Apostles College and Seminary received accreditation from the New England Commission of Higher Education.

In 1982, the Holy Apostles College and Seminary began offering the Master of Arts degree to further educate the laity in the faith and to prepare them to serve in the many apostolates of the Church.

The Missionaries of the Holy Apostles invited the bishops of Connecticut to serve on the Board of Directors with the Bishop of Norwich as Chancellor in 1984. This episcopal oversight, together with the participation of the Missionaries of the Holy Apostles and lay membership on the Board, blends the charism of the institution with ecclesial and professional expertise.

In 1998, Holy Apostles College and Seminary added to its programs the Post-Master's Certificate in Theology, to enable students to earn a graduate certificate beyond the Master of Arts. That same year, the Online Learning Program was added to allow students to earn a Master of Arts degree in Theology or Philosophy online.

In 2001, non-degree graduate Certificate Programs were expanded to enable students to receive a foundational graduate education.

In 2011, the Master of Arts in Pastoral Studies program was added to enable students to receive training in practical theological fields.

In 2012, the first undergraduate-level courses were made available online, and in 2014, the college received approval from the State of Connecticut Office of Higher Education to offer all of its undergraduate programs 100% online.

In 2014, Holy Apostles College and Seminary received Associate Membership in the Association of Theological Schools. In June of 2017, Holy Apostles College and Seminary received full accreditation by the Association of Theological Schools.

In 2019, the Certificate of Preparation for Ordination was approved for 100% online delivery for persons sponsored by a diocese or religious order who are seeking priestly formation with the intention of being ordained priests.

G. Library

The mission of the Holy Apostles College and Seminary Library is to support the academic and formation programs of our college and seminary. The Library, which is located in St. Luke's Hall, is also committed to providing access to information resources that promote lifelong learning.

As a Catholic institution of higher education, we strive to preserve our Catholic heritage through carefully defined resource acquisition and collection development policies. The reference and circulating book collections reflect this mission.

These collections contain more than 60,000 print volumes with an emphasis on theology, philosophy, bioethics, and the humanities. We retain unique materials in our established special collections and archives departments, including the Pope Francis Collection, the Pope Benedict XVI Collection, the Pope John Paul II Bioethics Collection, the Archives of the Missionaries of the Holy Apostles, and our College and Seminary Archives.

The Library subscribes to over 200 print and electronic newspapers and serial collections, as well as to specialized Catholic and theological databases and eBooks. The Library also benefits from the digital resources available through the iCONN database program of the Connecticut Library Network (CLN). This unique state-funded service permits our students and faculty to access electronic resources in a variety of subject areas beyond our core collections.

Housed within the Library is a computer classroom. The Library is committed to providing the technology necessary to support the intellectual and spiritual activities of our students and faculty. Continuous upgrades of our computer classroom facility enable our students to conduct research and produce reports on-site. Our wireless networked environment allows students to utilize their own laptops and portable devices to access our library resources. The Library also provides ongoing reference services, as well as information and computer literacy programs, to our on-campus and online learning communities.

As a resource center for the Magisterial documents of the Catholic faith, the Library also recognizes its value to the surrounding communities and places great care in the cultivation of resource sharing. To support this commitment, Holy Apostles College and Seminary Library participates in several interlibrary lending programs. Through the CLN's ReQuest system, we share resources with over 300 participating Connecticut Libraries. As members of the American Theological Library Association (ATLA), we also enjoy reciprocal borrowing privileges with member libraries.

THE SEMINARY

In its preparation of men for the priesthood, Holy Apostles Seminary is committed to providing solid formation in all aspects of seminary life, in accord with the directives of the Catholic Church. It is guided by the norms established by the Holy See, notably in the Apostolic Exhortation of Pope John Paul II, *Pastores Dabo Vobis* (1992), and by the norms established by the American Bishops in the Program for Priestly Formation.

Each of the areas of priestly formation specified in the [Program of Priestly Formation](#) is emphasized:

A formation team, assisted by counseling professionals, serves growth toward human maturity in the important qualities needed for leaders in the Church today, especially chaste celibate living.

The Spiritual Director, under the guidance of the Rector, shapes a rich spiritual program which nourishes the entire seminary program.

The faculty provides an excellent academic program suited to meet the complex circumstances of our time.

A variety of pastoral courses and field education placements enables the seminarians to acquire pastoral skills needed to serve the Church effectively today.

A. Seminary Life at Holy Apostles

It is a special aim of this seminary to provide priestly education in a Catholic spirit. This means not only that Catholic teaching informs all our instruction and all our formational work, but also that it is reflected in the concern to provide personal and spiritual formation in a Catholic spirit, stressing the Gospel ideals. The life of the seminary is centered about the Eucharist, especially daily Mass; it is nourished by the Liturgy of the Hours and by personal prayer. The traditions of seminary life here encourage Eucharistic worship, frequent use of the Sacrament of Reconciliation, devotion to Mary, love for the Church, respect for human life, concern for the poor, and a commitment to a priestly life of sacrifice and service.

B. Language Policy for All Resident Seminarians and On-Campus Students

Students who are not in the ESL Program are required to speak English in all public and private areas of the Holy Apostles campus. English immersion is essential to becoming fluent in reading, writing, understanding and speaking English. Moreover, fluency in English is essential for academic success while at Holy Apostles.

ESL students are to do their best to communicate in English and to speak their language only when necessary. Permission to speak one's own language is given from 5:30 P.M. on Friday through Saturday as well as for emergencies and other common-sense occasions such as confession, spiritual direction, counseling, greeting guests, etc.

Resident students who fail to adhere to the English Language Policy are subject to disciplinary action. Repeated violations will be filed, and will be reported to the President-Rector, who will then notify the sponsoring diocese or community, or possible sponsor.

C. Admission Procedure

Those applicants seeking admission to the seminary program must furnish:

- A completed and signed Seminary Division application form;
- Psychological evaluation by a psychologist experienced in testing candidates for the seminary. The testing center, or professional, must be approved by the school;
- One page account (as called for by the application) describing the candidate's life, the candidate's process of discernment of his priestly vocation and commitment to celibacy;
- Three letters of recommendation;

- Letters of evaluation from the rector of each seminary previously attended;
- Letters of evaluation from any diocese or religious community with which the candidate was or is associated;
- Official certificates of candidate's baptism and confirmation prepared within six months of the date of application, and a copy of the candidate's parents' marriage certificate;
- Medical certificate of good health, stating the candidate is able to undertake studies for the priesthood and is free from contagious diseases (this must be prepared by a licensed physician within six months prior to application); HIV and drug testing required;
- Academic transcripts of all post-secondary education, proof of the highest degree earned, and all standardized test results available (G.R.E. Institution code 3429). All must be official and issued directly to Holy Apostles Seminary;
- Criminal background check
- Non-refundable application fee.

All information may be obtained from, or sent to:
Holy Apostles College and Seminary
% Director of Seminary Admissions
33 Prospect Hill Road Cromwell, CT 06416-2005

a. Personal Interviews

Once the application and all supporting documentation has been received and evaluated, candidates will be invited to visit Holy Apostles Seminary for individual interviews with the Rector and members of the Admissions Committee. The applicant will also meet with the Academic Dean who will evaluate his academic record and preparation, and with the Financial Aid Officer, if necessary, to determine how to finance his education if accepted. A recommendation on each applicant is made by the Admissions Committee to the Rector, who informs the candidate in writing of his decision.

b. Sponsorship

All seminarians are to be sponsored by a Diocese, Religious Community or Society of Apostolic Life at the time of application. The reason for this sponsorship is that seminary formation entails a partnership between a sponsoring bishop or religious ordinary and the seminary formation team.

In the interest of promoting vocations, Holy Apostles College and Seminary permits a prospective seminarian (aspirant) discerning a vocation to the priesthood to take classes for one year at the seminary at the undergraduate or pre-theology level. If at the end of this year of discernment, the aspirant does not find sponsorship he will be required to leave the seminary. If the aspirant does find sponsorship, the time he was at the seminary as an aspirant may be considered as part of the propaedeutic stage, but this decision will be made by the sponsor.

During this year of discernment, it is the responsibility of the aspirant to pay for his education, either by loans

or other means, and to provide for his health needs. The attire for aspirants is black trousers, black shoes, and a white shirt. Unlike pre-theologians and college seminarians, aspirants do not wear a black tie.

Psychological exams and background checks are required of aspirants.

c. English Proficiency Test

All applicants whose native language is not English need to take an English proficiency test before applying to Holy Apostles College and Seminary. Students may choose to take the TOEFL iBT (internet-based test), or the Academic IELTS. The following chart details the scores that students need to earn for entry to the ESL program or to credit courses.

	Enter ESL program	Enter credit courses
TOEFL iBT	46-78	79+
Academic IELTS	5.5-6	6.5+

Students who are admitted to the ESL program will be placed into ESL courses according to their English proficiency test scores.

D. Program of Priestly Formation

a. Human, Spiritual, Intellectual, and Pastoral Formation

The human, spiritual and pastoral formation of candidates for the priesthood has many facets. Disciplined study of theology nourishes a deeper love and stronger possession of faith.

The human potential of each candidate must be developed so that each grows in the pastoral skills and personal qualities, including psycho-sexual maturity, which every priest must have in these complex times.

Each seminarian has an individual Spiritual Director in the internal forum and a Priestly Formation Advisor in the external forum, as well as access to professional counselors experienced in the formation of priests. The Spiritual Directors and Priestly Formation Advisors give guidance for spiritual, human and pastoral development within the context of prayer and grace through the sacraments, and the living of a generous Christian Life.

Seminary life is nourished by daily celebration of the Holy Eucharist, community celebration of the Liturgy of the Hours, personal prayer, spiritual reading, meditation, Eucharistic adoration, praying the rosary and frequent use of the Sacrament of Reconciliation. Weekly conferences by the Rector or his delegate as well as supplemental workshops focus on the spirituality of the priest, living a chaste celibate life, instruction on prayer, etc.

The theological program consists of 120 credits, of which 90 credits are normally applied to the M.Div. Degree. This is consistent with the norms of the Program for Priestly Formation of the National Conference of Catholic Bishops.

The theology program consists of eight semesters of seminary residence, incorporating the four areas of priestly formation as articulated in the Apostolic Exhortation *Pastores Dabo Vobis*:

b. Human Formation

“In order that his ministry may be humanly as credible and acceptable as possible, it is important that the priest should mold his human personality in such a way that it becomes a bridge and not an obstacle for others. . . . Future priests should . . . cultivate a series of human qualities, not only out of proper and due growth and realization of self, but also with a view to the ministry. These qualities are needed for them to be balanced people, strong and free, capable of bearing the weight of pastoral responsibilities.

They need to be educated to love the truth, to be loyal, to respect every person, to have a sense of justice, to be true to their word, to be genuinely compassionate, to be men of integrity, and especially, to be balanced in judgment and behavior” (*Pastores Dabo Vobis*, n. 43).

Primary Outcome: To practice kind, generous self-giving and patient suffering.

How do I consistently live a wholesome, balanced life?

- By maintaining modesty and propriety of dress, language and humor
- By caring for health and well-being
- By living a lifestyle consistent with Gospel simplicity
- By enjoying chaste friendships
- By being united to Jesus Christ who is priest and victim
- By being honestly committed to ongoing reflection, growth and self-assessment

c. Spiritual Formation

“Spiritual formation . . . should be conducted in such a way that the students may learn to live in intimate and unceasing union with God the Father through his Son Jesus Christ, in the Holy Spirit. Those who are to take on the likeness of Christ the priest by sacred ordination should form the habit of drawing close to him as friends in every detail of their lives. They should live his paschal mystery in such a way that they will know how to initiate into it the people committed to their charge.

They should be taught to seek Christ in faithful meditation on the word of God and in active participation in the sacred mysteries of the Church, especially the Eucharist and the Divine Office” (*Pastores Dabo Vobis*, n. 43; *Optatam Totius*, 8).

“Just as for all the faithful spiritual formation is central and unifies their being and living as Christians, that is, as new creatures in Christ who walk in the spirit, so too, for every priest, his spiritual formation is the core which unifies and gives life to his being and his acting as a priest... Those who are to take on the likeness of Christ, the priest, by sacred ordination, should form the habit of drawing close to him as friends in every detail of their lives.” (*PDV* 45)

Primary Outcome: To cultivate a deep and personal friendship with Christ in order to communicate the strength of Christ’s love to others.

How do I advance in the spiritual life?

- By regularly meeting for spiritual direction with a faithful, qualified spiritual director
- By acquiring the holy habit of good spiritual reading
- By growing in greater virtue and love of God
- By seeking to be better trained and more properly disposed to the Sacred Liturgy as the source and summit of daily life
- By faithfully engaging in public prayer including Holy Mass and the Liturgy of the Hours on a daily basis, regular reception of the Sacrament of Penance
- By faithfully engaging in private prayer including the habit of mental prayer and the practice of daily holy hour, adoration of the Blessed Sacrament, and devotion to Mary, especially through the rosary

d. Pastoral Formation

“Formation in its different aspects must have a fundamentally pastoral character... ‘The whole training of the students should have as its object to make them true shepherds of souls after the example of Jesus Christ, teacher, priest, and shepherd.’” (*PDV* 57; *Optatum Totius*, 4)

“[P]astoral formation certainly cannot be reduced to a mere apprenticeship, aiming to make the candidate familiar with some pastoral techniques. The seminary which educates must seek really and truly to initiate the candidate into the sensitivity of being a shepherd, in the conscious and mature assumption of his responsibilities, in the interior habit of evaluating problems and establishing priorities and looking for solutions on the basis of honest motivations of faith and according to the theological demands inherent in pastoral work” (*Pastores Dabo Vobis*, n. 58).

Primary Outcome: To become proficient in each of the twelve pastoral competencies (listed below) while reflecting on why they are good and reasonable skills to acquire.

How do I become pastorally proficient?

- By acquiring a genuine interest in pastoral theology
- By being enthusiastically engaged in pastoral matters, i.e., the one who does the work learns the most
- By prayerful reflection on field education experiences and other pastoral experiences
- By preparing and presenting theological reflections that are insightful and useful, especially for parochial ministry
- By seeking ways to improve pastoral skills

In order to acquire the following pastoral competencies:

- To preach the Gospel prophetically
- To celebrate the Eucharist and other liturgical services properly and with sincere devotion
- To provide leadership, support and inspiration to the lay faithful for evangelization and pastoral renewal
- To witness and promote the Gospel of Life and all Catholic social teaching
- To exercise prudence, dialog and collaboration while maintaining a proper priestly persona
- To answer correctly contemporary moral questions using Faith and Reason
- To advocate and witness the Church's preferential option for the poor
- To bring pardon, healing, peace and hope through pastoral care, pastoral counseling, spiritual direction and sacramental confession
- To support marriage, family life and vocations to the priesthood and consecrated life as the Spiritual Father of the parish
- To teach parishioners and parish catechists
- To advocate Inculturation, Ecumenism and Inter-Religious Dialog
- To administer the parish effectively

e. Intellectual Formation

"Candidates for the priesthood should have diligent care for the quality of their intellectual formation... For the salvation of their brothers and sisters they should seek an ever deeper knowledge of the divine mysteries. . . . Theological formation . . . should lead the candidate for the priesthood to a complete and unified vision of the truths which God has revealed in Jesus Christ." (PDV, n. 51, 54)

"The intellectual formation of the future priest is based and built above all on the study of sacred doctrine, of theology.

The value and genuineness of this theological formation depend on maintaining a scrupulous respect for the nature of theology. . . The theologian is therefore, first and foremost, a believer, a person of faith. But the theologian is a believer who asks himself questions about his own faith (*fides quaerens intellectum*), with the aim of reaching a deeper understanding of the faith itself" (*Pastores Dabo Vobis*, n. 53).

Primary Outcome: To be a self-educator, i.e., to challenge oneself and to inspire others to continue to learn more about the faith and moral life and all aspects of the Catholic intellectual tradition.

How do I seek to know and love God and the things of God through study and learning?

- By better managing time on a daily basis for required study
- By finding extra time for additional study beyond the course requirements
- By making a commitment to read sacred scripture and/or Church documents
- By becoming more disciplined to read and study during breaks in the seminary schedule
- By selecting specific texts to be read within a certain time frame
- By identifying areas of personal academic weakness in philosophy or theology and choosing a course of action for improvement

f. Field Education

The Field Education program seeks to develop pastoral and liturgical skills in each seminarian through closely supervised ministry in urban and rural parishes, schools, retirement homes, hospitals and state correctional facilities, and through theological reflection on these ministries. The intent is that pastoral concern thoroughly penetrates the entire training of seminarians so that they will personally identify with the apostolic mission of the Catholic Church.

g. Manual Labor

The manual labor program seeks to develop a generosity of response to whatever tasks need to be done for the common good. Priests are to be “cheerful givers” when presented with the opportunity to “wash the feet of others.” If a seminarian can be a servant in small tasks, he will give generously in future ministry.

E. Evaluation of Seminarians

The Rector, together with the Formation Team, annually evaluates each seminarian’s growth in his embrace of a chaste celibate life and in his performance in all components of the seminary program. The report consolidates evaluations by members of the faculty, the Priestly Formation Advisor and the seminarian’s own evaluation of his progress in achieving the goals he sets for himself each year.

This confidential evaluation is reviewed with the seminarian and is available only to his sponsoring bishop, vocation director or religious superior.

F. Pre-Theology Program

Candidates for the Seminary program who have not completed all of the academic prerequisites will be enrolled in the Pre-Theology Program. A seminarian may complete his Pre-Theology as part of the program if he has not completed his undergraduate degree. This program prepares the student for admission to First Theology.

D. Veterans (VA) Military (TA) Benefits

This college has 15 programs approved by the State Approving Agency for purposes of educational assistance from the US Department of Veterans Affairs (VA). These include undergraduate degrees, graduate degrees and graduate certificate programs.

Effective 8/1/18, full time enrollment in a graduate program at HAC is two courses or 6 credits. **50% or half time enrollment is one course or 3 credits.**

New students need to contact VA at 1-888-422-4551 (press 1 for touchtone and then 0 to reach a benefits counselor) or at www.gibill.va.gov to obtain information on benefits, to submit a question, to apply initially for benefits or to file a Request for a Change of Place of Training.

Students who are registered for courses in an approved program for an upcoming term need to contact the School Certifying Official (SCO) at 860-632-3020 to identify the part of the law under which they are claiming VA benefits, to provide their VA file number (and payee number if claiming benefits under Dependents Educational Assistance), and to request that the SCO certify their enrollment to VA for the upcoming term.

VA Chapters that remit payment to the student must pay up front prior to the beginning of each semester.

Active military personnel should be advised that we have an up-to-date Memo of Understanding (MOU) on file with the Department of Defense and process benefits for all branches of the military. Military TA Tuition & Refund Policy [here](#). Contact is the SCO as noted above.

Any student receiving benefits must successfully complete all degree or certificate requirements within the allotted time span noted elsewhere in this catalog.

To ensure that a student receiving VA/Military Benefits is making the prescribed progress, the Office of the Registrar together with the SCO shall assess such progress at least once during each semester of enrollment. Grades, as required, will be uploaded within the required 30 day timeframe at the end of each period of enrollment. Students should speak with the SCO before withdrawing from any courses.

E. Financial Aid

Financial aid is available to qualified students. For more information, please contact the Financial Aid Office directly at 860-632-3020 or 860-632-3056 or by email at finaid@holypostles.edu.

a. Types of Financial Aid Available

Eligible undergraduate students may be awarded Federal PELL Grants and/or Federal Direct Loans. Graduate students may receive Federal Direct Loans. All financial aid is based on need.

b. Applying for Financial Aid

In order to receive Federal Financial Aid, a student must be half-time, enrolled in a degree, or approved certificate program, and be making satisfactory academic progress as defined in the catalog.

All students wishing to be considered for Federal Title IV Financial Aid must fill out the Free Application for Federal Student Aid (FAFSA) which is located online at www.fafsa.ed.gov.

Contact the Financial Aid Office prior to registration to make sure that all forms and related documents are in order. The student will receive an Award Letter after registration which must be accepted prior to disbursement of funds. Mandatory Entrance Counseling and Promissory Note can be accomplished at www.studentloans.gov.

c. Enrollment History Used in Financial Aid Decisions

Holy Apostles College and Seminary reserves the right to use a potential student's enrollment history as part of the Admissions process. If the Financial Aid Department sees that a student's FAFSA reveals some cause for concern, the Financial Aid Office may look-up a student's previous loan history on the National Student Loan Data System (NSLDS). Based on the information that it finds, the Financial Aid Office may reduce the amount of Federal Student Aid offered and even decline Federal Student Aid.

Holy Apostles College and Seminary will not release any Federal Student Aid until all transcripts have been provided that are requested from a review of NSLDS.

Graduating students who have borrowed Federal Student Loans are required to complete Exit Counseling before diplomas are awarded. The directions for this action are contained in a letter that comes to the graduating student during the student's last semester at Holy Apostles College and Seminary. Exit Counseling must be completed one month prior to a student's graduation date.

d. How Funds are Disbursed

All funds awarded are disbursed electronically in batches of students generally one-week apart, starting after the add/drop week.. Funds are credited to each student's account. Any credit balances are refunded to the student within the time prescribed by the Federal Regulations and sent via the regular postal service. Any questions regarding overage checks should be directed to the Business Office.

e. Financial Aid Refund Policy

All students are subject to the Holy Apostles College and Seminary Refund Policy depending upon their situation. In addition, all students receiving Federal Financial Aid are subject to the Federal Return of Title IV Refund Formula to determine earned aid as of the withdrawal date.

- If the student earned less funds than received, the student must return unearned funds to the Title IV Programs.
- If the student earned more funds than received, the student must offer a post-withdrawal disbursement.

This pro-rata calculation applies to students who begin and then cease attendance in all classes prior to the scheduled end of the semester..

This does not apply to students who drop hours, even to less than half-time enrollment.

This does not apply to students who never begin attendance.

Triggers for the timeframes:

- Performing the Federal calculation (30 days)
- Returning unearned funds (30 days)
- Offering student a post-withdrawal disbursement (30 days)
- Notifying student of overpayment due (30 days)
- Delivering a post-withdrawal disbursement (120 days)

MATRICULATION AND PREVIOUS CREDITS

A. Matriculation Policy

Students who intend to seek a degree should matriculate into degree or certificate program no later than upon completion of six credits or one semester, whichever comes later. No one may matriculate immediately prior to graduation. Students must be in a program for at least one year before graduation.

A student's status toward program requirements typically is based upon the program requirements stated in the catalog current at the time a student begins course work. The student may also opt to complete program requirements under a more recent catalog.

B. Personal Interest Students

Holy Apostles College and Seminary welcomes students who take courses for personal interest and/or audit. Every personal interest student who does not intend to seek a degree or certificate may take as many credits as he or she wishes, provided that he or she meets the basic requirements of academic performance.

C. Transfer Students

a. Transfer Credit Policy

Holy Apostles College and Seminary accepts transfer credits from accredited colleges and universities for all degree and certificate programs, provided the credits are in courses applicable to the particular degree program being pursued. Transfer credits are accepted at Holy Apostles College and Seminary at the discretion of the Academic Dean's approval.

Students intending to transfer credits must apply for Advanced Standing at the time of matriculation. Advanced Standing allows a student to enter Holy Apostles College and Seminary as a first-time student, while entering a program with a higher class status than first semester, first year, due to transfer credits. All official transcripts must be received by Holy Apostles College and Seminary by the time of matriculation for transfer credits to be considered.

The number of transfer credits that may be accepted into each degree program at the discretion of the appropriate Dean is as follows:

Undergraduate Programs:

Associate of Arts	30
Bachelor of Arts	60

Graduate Programs:

Master of Arts	6
Post Master's Certificate in Theology	6
Master of Divinity	60
Certificate of Preparation for Ordination	60
Non-Degree Graduate Certificate	0

Transfer credits must not have already been applied to a degree, except in the case of credits assigned to an Associate's degree being used towards the Bachelor of Arts program at Holy Apostles College and Seminary.

To transfer credits from courses from another academic institution simultaneously with a program at Holy Apostles College and Seminary, the student must have the prior permission of the Academic Dean as concerns the selection of courses. Official transcripts must be sent to Holy Apostles College and Seminary as soon as the courses are completed.

It is the policy of Holy Apostles College and Seminary not to accept any undergraduate credits for transfer which carry a grade less than a C as well as any course that receives a pass/fail/audit grade. Furthermore, undergraduate courses that are less than the 100 level are considered remedial courses and are non transferrable to Holy Apostles.

It is the policy of Holy Apostles not to accept any graduate credits carrying less than a B grade.

b. Evaluation of Transcripts for Transfer Credits

For students wishing to transfer academic credits into any of the programs offered at Holy Apostles, all transfer credits are at the discretion and approval of the Academic Dean.

After transfer credits have been evaluated, a personalized degree plan will be created. Once the student has been admitted to Holy Apostles, he or she may then register for courses. Full tuition and fees are payable at the time of registration. Tuition is only refundable in accordance with the procedures outlined in the Tuition Refund Section outlined by the Business Office. Tuition and general fees are subject to change without notice.

CLEP credits count against the number of transferred credits allowed.

If the number of CLEP credits combined with the credits transferred from other programs exceeds the number of transfer credits allowed, Holy Apostles College and Seminary may instead waive the requirement for the student to take a course in the CLEP subject area and allow the student to replace it with a different course within the program. student's degree plan will be individualized based on the major the student pursues. AP credits count against the number of transferred credits allowed. UNDERGRADUATE PRIOR EXPERIENCE AND NON-COLLEGIATE SPONSORED CREDIT POLICY

Life Experience allows students to earn three credits for “prior learning’ that has taken place outside of the classroom.”

Holy Apostles College and Seminary limits the number of Life Experience credits to 9 for AA students and 15 for BA students. Any granted life experience credits are subtracted from the transfer credits a student can use, depending on the degree.

This means an AA student could only have a total of 9 life experience credits and 21 transfer credits. Thus, the AA student must study 30 credits, or one year, at Holy Apostles to earn the degree.

This means a BA student could only have a total of 15 life experience credits and 45 transfer credits. Thus, the BA student must study 60 credits, or two years, at Holy Apostles to earn the degree.

To determine whether the student has the knowledge necessary to earn three Life Experience credits, Holy Apostles requires the student to take the final exam of the course for which he or she is asking to receive credits. This will show that the student knows the material, and knows it the way we teach it at Holy Apostles.

The student should pay at 50% of the Holy Apostles tuition. The student must pay an additional \$100 per course for professor who corrects the final exam.

ACADEMIC REQUIREMENTS FOR FINANCIAL AID (SAP POLICY)

To be eligible to receive Financial Aid at Holy Apostles College and Seminary, a student must be:

- Matriculating
- Enrolled minimally as a half-time student
- Making Satisfactory Academic Progress (SAP)

Listed below are the credit completion requirements for each enrollment status for undergraduate and graduate students:

Undergraduate Students

Credits Attempted/Enrollment Status	Credit Completion Requirement
12+units = full-time	12 units
6-8.5 units = half-time	6 units

Graduate Students

Credits Attempted/Enrollment Status	Credit Completion Requirement
6 units = full-time	6 units
3 units = half-time	3 units

A. Satisfactory Academic Progress (SAP) Policy

To remain eligible to receive federal student aid, students must meet Satisfactory Academic Progress (SAP) standards as defined by current federal regulations which require that academic progress be monitored for all periods of enrollment **whether or not students have received financial aid.**

Federal regulations require that we measure academic progress towards completion of a degree/certificate program by federal, state, and school standards. Recipients of student loans are subject to these standards for renewal of their financial aid eligibility.

- SAP evaluation is based on cumulative Holy Apostles course work as appears on the student's official academic transcripts as well as all accepted transfer credits.
- The review of academic progress will take place at the conclusion of each academic year for all students, however for those receiving financial aid this review will be conducted at the conclusion of each semester.
- Students taking classes during the summer session following the academic year will be reviewed at the conclusion of the summer semester.

B. Three Standards of Progress

There are three standards of progress: one is grade-based (qualitative) and the other two are time-based (quantitative). A student must maintain all three standards to continue receiving financial aid:

- ❖ Grade Point Average (GPA) - Students must meet a minimum cumulative grade point average based on their total attempted credits as follows:
 - Undergraduate students must maintain a minimum cumulative GPA of 2.0 (C)
 - Graduate students must maintain a minimum cumulative GPA of 3.0 (B)
- ❖ Pace of Completion Rate Percentage - All students must successfully complete at least 67% of their attempted credits, including transfer credits, as appears on their official academic transcripts. This measurement ensures that students will graduate within the maximum time frame explained below. To be counted as successfully completed or earned credits, students must receive a grade of A, B, C, D or P (Pass). Pace is calculating by dividing:
$$\frac{\text{Total number of credits successfully completed}}{\text{Total number of credits attempted}}$$
- ❖ Maximum Time Frame - Students must complete their educational program of study within a maximum time frame no longer than 150% of the published length of their educational program of study measured by credit hours. This is measured by credits attempted and includes transfer credits. Thus, for example, a program of 36 credits must be completed within 54 attempted credits.

The following factors are considered when evaluating a student's SAP:

ESL courses do not count in the SAP analysis

Remedial courses taken as credit equivalences do not count in the SAP analysis.

Repeated courses are counted in attempted credits and, if successfully completed, earned credits. The highest grade received in the course will be used in the cumulative GPA. A student is allowed to repeat a passed course only once and receive financial aid.

Withdrawals (W) and Incompletes (I) or Withdraw Failures (WF) or Failures (F) are counted in the attempted credit hours but are not successfully completed or earned.

Transfer courses including credits received during consortium study and applicable to the program of study will be counted as attempted and earned credits. These credits will be used in both the quantitative standards, but not in the calculation of the GPA.

Consortium Studies entered into, once a student at Holy Apostles College and Seminary, will be counted in all three components of the SAP standards.

Audited Courses are not considered credits or earned.

Program Changes - all attempted credits and earned credits (including transfer credits) that can be applied to the new program of study will be considered in calculating the maximum time frame requirements for the new program.

C. SAP Reviews - Warning and Probation Status

A SAP review is not complete until both the qualitative and quantitative measures have been completed. An institution must review the SAP measurements at least annually at the end of the academic year. At Holy Apostles College and Seminary, the SAP review is conducted at the END OF EVERY TERM in order to utilize the Financial Aid Warning status which current regulations leave optional for each institution.

Warning Status - Any student who fails to meet any one of the minimum standards will be placed on Financial Aid Warning.

- This Warning period will be the student's next semester of enrollment.
- Holy Apostles College and Seminary will communicate the warning status to the student and inform the student that he/she must improve academically to meet the minimum SAP standards by the end of the following semester in order to maintain eligibility for financial aid.
- No action is required of the student.
- Students remain eligible to receive financial aid during this Warning term.
- Only one Warning period is allowed.
- It is possible that a student regains SAP in the following term only to be placed back in a Warning status for the subsequent term. The student could NOT have successive periods in financial aid Warning status.

A student who has **not met the minimum benchmark** of academic progress **after their Warning term** will automatically **lose their eligibility** unless they successfully Appeal and are placed on Probation. For those students NOT on financial aid, the process is the same to ensure their success and graduate on time.

D. Appeal and Probation Status

A process by which a student who has not met SAP requirements at the end of this Warning Period may petition Holy Apostles for reconsideration of his status as a student and/or his eligibility for financial aid. This appeal is used if the student experienced conditions that affected his academic progress such as illness, injury, death of a relative, or other special circumstances.

Specifications of an Appeal Letter:

- The Appeal Letter should be addressed to the Academic Dean.
- The Letter should provide details as to why the student failed to meet SAP after his Warning term.
- The Letter should specify what has changed in the student's circumstances that would allow him to meet SAP at the next evaluation.
- The school has the right to ask for documentation and any obvious documentation should be provided without asking.
- Holy Apostles College and Seminary may develop an Academic Plan specific to the student if it is clear that it may take more than one term to regain satisfactory academic standards.
- Holy Apostles College and Seminary will respond to an Appeal Letter within 10 business days. A successful appeal places the student in Probation for the following term if it is determined that the student should be able to meet academic requirements in that term or, with an Academic Plan in place, within a specified time frame.

Aid eligibility continues during Probation.

Students who fail to meet SAP after their probationary term will lose their financial aid eligibility until they regain the minimum SAP requirements.

There is only one appeal per student. Appeals are not automatically approved and will only be considered for extenuating circumstances. A student may also appeal to his or her Academic Plan. However, all students must graduate within the 150% maximum time frame.

Warning and Probation are suspensions of academic standards for a minimum period of time. Grades and credits are not eliminated or disregarded in the SAP calculation even though, for a time, a student may fall below Holy Apostles College and Seminary's academic progress standard. Students are encouraged and guided at all times to take a manageable course load that will allow them to be successful in their studies and achieve the goal of graduation from Holy Apostles College and Seminary.

Scholarship students can only earn one degree. There is one exception. A scholarship student who is earning an Associate's degree is allowed to earn a Bachelor's degree.

Scholarship students who earn a Bachelor's degree are **not** allowed to earn a Master's degree; and scholarship students who earn a Master's degree, are **not** allowed to earn a Post-Master's degree.

Further, scholarship students are allowed to **earn only one** Bachelor's, Master's, or Post-Master's degree. Scholarship students who are currently earning second degrees, as of August 2019, are allowed to complete them.

E. Directed Study Policy

A Directed Study is a course taught by one instructor to one student, with the Dean's express administrative approval, when that course is either: (1) not scheduled to be offered in the semester during which the Directed Study takes place; or (2) not a course currently offered at Holy Apostles College and Seminary. Holy Apostles College and Seminary may offer a Directed Study in two distinct circumstances:

1. When a student needs a particular course for graduation, but that course is not being offered in the semester when the student must take it; or
2. When a student has a particular interest in a topic that is not covered in a course already offered at Holy Apostles College and Seminary.

The possibility of taking a Directed Study is contingent upon two factors: (1) the availability of a qualified instructor to teach the Directed Study; and (2) whether the Directed Study fits with the mission of Holy Apostles College and Seminary and the degree plan of the student requesting the Directed Study.

An on-campus student who desires to take a Directed Study must contact the Academic Dean. An online student who desires to take a Directed Study must contact the Associate Dean of Online Learning. The

Academic Dean or the Associate Dean of Online Learning may *sua sponte* suggest to a student the possibility of taking a Directed Study.

The appropriate Dean will provide the student with a Directed Study Request Form. The student must fill out the Directed Study Request and then return it to the Dean. The Dean will consider the possibility of Directed Study in consultation with one or more instructors at Holy Apostles College and Seminary. Then the Dean will inform the student whether the request for a Directed Study can be granted.

If Holy Apostles College and Seminary grants the student's request for a Directed Study, then a course number and title will be assigned to the Directed Study and the student will be provided with instructions regarding how to register for the Directed Study.

The cost to the student for taking a Directed Study is the same cost as other three-credit courses at Holy Apostles College and Seminary.

The general responsibilities of an instructor for a Directed Study are the same as the general responsibilities of an instructor for any other course offered at Holy Apostles College and Seminary. The requirements in terms of readings and assignments for a Directed Study are the equivalent of the requirements for a three-credit course.

Before the semester begins, the instructor, in consultation with the student, must prepare a complete syllabus for the course based upon a 14-week long semester. The student may propose course requirements. The instructor, however, retains final discretion regarding course requirements. The instructor will send the completed syllabus to the Academic Dean (for an on-campus student) or the Associate Dean of Online Learning (for an online student) for filing in the academic office.

The syllabus must clearly indicate the type and the length of all assignments required for the course. The syllabus also must indicate the manner in which the student and the instructor will communicate on a weekly basis. The syllabus must be sent to the appropriate Dean before the semester begins. The Dean may cancel a Directed Study if a satisfactory syllabus is not submitted in a timely manner.

A student may not take more than two Directed Studies toward the course-credit requirements of any one degree program at Holy Apostles College and Seminary.

F. Class Attendance

For lay-undergraduate and lay-graduate programs, there is no college-wide attendance policy that applies to all classes. Each instructor develops and distributes to students his or her own attendance policy during the first week of each semester. The instructor notifies the Academic Dean if a student's absence is excessive. Excessive absenteeism may result in the student being withdrawn from the course. The student must notify the class instructor and the Academic Dean if he or she is going to be absent for an extended period because of personal emergencies.

Immediately upon returning to classes, a student should discuss with the instructor the academic work missed because of absences. It may be the case, depending upon the extent of the absence, that the work cannot be made up within the semester and an incomplete has to be given. It is the responsibility of any student withdrawn from a course due to poor attendance to contact the Office of the Registrar immediately, so as not to receive a grade of "F". The Business Office handles any refunds which may be due the student.

There is a uniform class attendance policy for seminarian students detailed in the Seminarian Handbook.

Veterans are required by the Veterans' Administration to attend classes on a regular basis regardless of the attendance policy of the instructor. Poor attendance or lack of attendance by a veteran will result in termination of benefits.

G. Absence Policy

More than three unexcused absences in an on-campus course is considered excessive, and students who have more than three unexcused absences may receive from their instructor a reduced grade for the term.

Students taking courses online must check in with their instructor by the first Wednesday of the semester. Assignments must be submitted per the deadlines provided by the instructor.

Students with excessive tardiness or absence are subject to the penalties outlined in the course syllabus up to and including the professor requesting the student be dismissed from the course with the grade of "F". In an effort to assist students who lag behind, professors will also be asked after week 2 and week 6 to identify any students who have not been attending regularly to their assignments.

H. Accommodating Students with Disabilities

Holy Apostles College and Seminary is committed to the goal of achieving equal educational opportunities and full participation in higher education for persons with disabilities who qualify for admission to the College. Most of the facilities are accessible and special accommodations may be made in modes of answering and time allotted for testing.

It is the responsibility of the student to notify the institution in the space provided on the application of any special accommodations they require. Students with documented disabilities requiring special accommodations should request information and/or receive a copy of our Disability Services Handbook from the Disability Resource Center.

Requests for academic or financial accommodations must be made prior to the application deadline to allow the institution sufficient time to make any necessary adjustments.

In the case of online students, the Online Learning program pursues all applicable requirements of the American Disabilities Act as concerns its adherence to Universal Design principles.

Federal law requires that institutions of higher education provide reasonable classroom (and other) accommodations to students with disclosed disabilities.

Under federal law, i.e., the Americans with Disabilities Act (ADA), students at the collegiate level, must self-disclose with respect to any disability and must request accommodations with respect to any such disclosed disability. To comply with the ADA, new students are informed at Orientation about Holy Apostles' Disability Resource Center. In addition, all instructors will include an ADA statement on their syllabi so that students know where to go for assistance.

Students must complete a disclosure form and submit it to the ADA Coordinator along with a copy of his/her most recent evaluation. The age of the most recent evaluation can be no older than 3 years (an ADA minimum requirement). Once reviewed, the ADA Coordinator will schedule a meeting with the student to discuss the accommodations that will be granted and an accommodation agreement is completed and signed. The student should bring to this meeting, documentation of the disability as well as any other supporting documentation. The documentation must specifically identify the disability and describe the academic limitations associated with it.

It must be on letterhead and signed by a certified professional with expertise in the field of the disability. Documentation look back period cannot exceed three years. All medical records and learning assessments will be kept confidential. Once signed, both the student and the ADA Coordinator get a copy of that agreement along with any instructors the student has for the semester.

The student will also be provided with a copy of our grievance procedures and have access to a representative from the Disabilities Resource Center (DRC) who will serve as an advocate for the student. The student must notify the DRC representative in the event that accommodations are not being followed in the classroom.

The student will also be required to sign a confidentiality waiver which allows the ADA Coordinator to share information regarding the disability with those identified as key personnel at Holy Apostles College and Seminary.

If accommodations are refused, a refusal form is completed and sent to the student. The student may then grieve that decision using the grievance procedures.

The Handbook for Persons with Disabilities is available for download on our website in the Student Resource Area.

I. Testing Online ESL Students

This policy applies only where an instructor requires a timed test as part of a course and the course includes one or more students for whom English is a Second Language (that is, students whose mother tongue is not English).

ESL students will be given time and a half, also known as 50% additional time, to complete all in-class timed exercises. For example, if a test is timed for 30 minutes, then ESL students should be allowed 45 minutes to complete the test.

Instructors will apply this policy only upon notice or confirmation from Holy Apostles College and Seminary's administration that one or more students are ESL students.

J. Definition of a Credit Hour and Time-Value of a 3-Credit Course

All courses and programs, regardless of academic level, at Holy Apostles College & Seminary in Cromwell, CT, adhere to the federal definition of a credit hour as outlined in 34 CFR sections 600.2, 602.24, 603.24, and 668.8; Education Code sections 66700, 70901, 70901(b), 70902(b), and 78016, Title 5 sections 51000, 51022, 55002(b)(1)(B), 55100, 55130, and 55150.¹ Holy Apostles College & Seminary adopted the Federal Definition of the Credit Hour, known as the Carnegie Unit, in the fall of 2011 for the purpose of scheduling review of its online degree programs and extended the definition to all courses and programs during its 2013-2014 curriculum review process.

A credit hour as defined by the U.S. Department of Education is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates:

1. Not less than one hour of classroom or direct faculty instruction and a minimum of two hours out of class student work each week for approximately fifteen weeks for one semester or trimester hour of credit, or ten to twelve weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time, or;
2. At least an equivalent amount of work as outlined in item 1 above for other academic activities as established by the institution including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

When the Carnegie Unit is cross-referenced with the federal definition of a clock hour, which is fifty minutes, the following formula is applied: each 3-credit course requires 2.5 hours of direct faculty instruction and 5 hours of outside readings and assignments for a total of 7.5 hours per week over a period of fifteen weeks, the equivalent of 112.5 hours of engagement with each 3- credit course.

This credit hour policy applies to all courses at all degree program levels that award academic credit regardless of the mode of delivery. The Academic Dean and Academic Dean of Online Learning are responsible for ensuring that credit hours are awarded only for work that meets the requirements outlined in this policy.

K. Course Withdrawal Policy

This Course Withdrawal Policy shall apply to students at both the undergraduate and graduate levels of study.

a. During the First Week of Classes

During the first week of classes, a non-seminarian student may withdraw from a course by notifying the Registrar. To provide such notice, the student must complete a Course Withdrawal Form (attached hereto) and submit it to the Registrar's Office.

During the first week of classes, a seminarian student may withdraw from a course with the permission of the Academic Advisor by submitting a Course Withdrawal Form to the Registrar's Office signed by the Academic Advisor.

If a student withdraws from a course during the first week of classes, no notation on the transcript will be made.

b. After the First Week of Classes

After the first week of classes, a non-seminarian student who wishes to withdraw from a class must seek the permission of the Academic Dean.

A seminarian student who wishes to withdraw from a class after the first week of classes must seek the permission of one or more school officials (Academic Dean; Academic Advisor; or President/Rector), depending on the number of weeks into the semester such permission to withdraw is sought as described below. A fully completed and properly signed Course Withdrawal Form must be submitted to the Registrar's Office by the student.

A non-seminarian or seminarian student seeking to withdraw from a class after the first week of classes must complete a Course Withdrawal Form and must include the appropriate signature(s). The completed and signed Course Withdrawal Form must then be submitted to the Registrar's Office by the student.

The Registrar shall forward a copy of the processed form to the course professor. If a non-seminarian or seminarian student withdraws from a course after the first week of classes, the following permissions are required and the following notations shall be entered on the student's transcript:

After End of 1st Week to End of the 3rd Week of Classes

- Non-seminarians need Academic Dean's signature;
- Seminarians need Academic Dean's and Academic Advisor's signature;
- A notation of "W" (Withdrawal) will appear on the student's transcript.

After End of 3rd Week to End of the 5th Week of Classes

- Non-seminarians need Academic Dean's signature;
- Seminarians need Academic Dean's and Academic Advisor's signature;
- A notation of "WF" (Withdrawal/Fail) will appear on the student's transcript.

After End of 5th Week of Classes

- Non-seminarians need Academic Dean's signature;
- Seminarians need the Academic Dean's and the President/Rector's signature.
- A notation of "WF" (Withdrawal/Fail) will appear on the student's transcript.

No withdrawals will be permitted after the Friday before the last week of classes.

A student who does not attend classes and does not submit a properly completed Course Withdrawal Form to the Registrar's Office in a timely manner will receive a grade of "F" for such course.

Courses that do not meet for 15 weeks will have proportionate withdrawal schedules. Course

Withdrawal Forms are available in the Registrar's Office.

Withdrawals are considered official as of the date the completed and signed Course Withdrawal Form is filed with the Registrar's Office.

Failure to follow these procedures will result in a grade of "F" and forfeiture of any refund.

c. Notifications

If applicable, the Registrar is required to notify the VA Coordinator and/or the Financial Aid Office of any reduction of course load that affects a student's full-time/part-time status. The VA Coordinator and/or the Financial Aid Office will be notified of the number of credit hours dropped, the effective date of drop, and the student's status after the reduction in course load.

L. Grading Policy

Holy Apostles College and Seminary uses the grading system listed below:

Grading System

Numerical Grade Range	Letter Grade	Grade Points	
94-100	A	4.00	Excellent
90-93	A-	3.67	Superior
87-89	B+	3.33	Very Good
84-86	B	3.00	Good
80-83	B-	2.67	Better than Average
77-79	C+	2.33	Average
74-76	C	2.00	Satisfactory
70-73	C-	1.67	Less than Satisfactory
60-69	D	1.33	Unacceptable but passing
0-59	F	0.00	Failure
	P		Pass within Pass/Fail framework
	I		Incomplete

	AUD		Audit
	W		Withdrawal
	WF		Withdrawal Failing

A. Grade Finalization

a. Final Grades

The academic transcript reflects all attempts and grades. All grades become final when they have been assigned and reported to the Office of the Registrar. A grade becomes officially recorded when the Registrar so stipulates.

b. Appeal of Grade

A student who feels that a grade has been unfairly awarded may appeal to the course instructor. If not resolved, an appeal may be made to the Academic Dean. Appeals for grade changes must be made within six weeks after grades have been officially released. If, as a result of an appeal of grade, a grade change is deemed appropriate, such change shall be initiated by either the instructor or the Academic Dean by submitting a completed grade change form to the Office of the Registrar.

c. Grade Change Due to a Clerical Error or Satisfaction of an Incomplete

Except where a grade change is warranted following an appeal of grade, final course grades may be changed only by the instructor of the course and then only if there has been an error in computation, to remove an incomplete or, in highly exceptional circumstances, in response to a request for a Retroactive Grade change (see below).

The instructor must submit an official grade change form to the Office of the Registrar. Upon recording a grade change, the Registrar shall send the student a student copy of the revised academic transcript.

d. Retroactive Grade Change

A retroactive grade change is a change in grade that occurs after a grade becomes officially recorded that does not result from a clerical error, a change from a grade of “incomplete” or the result of an appeal of grade. A retroactive grade change is an extraordinary action and is granted only in the most compelling circumstances. Such a grade change may not occur unless the instructor who gave the grade initiates the formal process of a retroactive grade change and is approved by the Academic Dean. Retroactive grade changes are not made for students who have graduated.

B. Incomplete Policy

a. Eligibility

Students who have completed little or no coursework are ineligible for an “Incomplete” in a course. An instructor may grant a 4 week incomplete extension to a student who:

- has satisfactorily completed major components of the course; and
- has the ability to finish the remaining work without re-enrolling; and
- has encountered extenuating circumstances, such as illness or family emergencies, that prevent him or her from finishing coursework prior to the last day of the semester.

An “I” for “Incomplete” is a temporary grade assigned at the discretion of the instructor.

b. Process

A student seeking an Incomplete should obtain the Incomplete form from the shared folder of the files tab in Populi or from the Associate Registrar’s office. The student will fill out the parts of the form pertaining to the student and submit the form to the instructor before the end of the semester.

If the instructor approves the Incomplete, the instructor fills out the section of the Incomplete form indicating what the student must do to finish the course and signs the form.

The instructor of an online class sends the approved form to the Director of Online Learning for online learning; the instructor of an on-campus class sends the form to the Associate Registrar for on campus learning. The instructor also sends a copy of the completed Incomplete form to the student.

Students receiving an Incomplete (I) must submit the missing coursework by the end of the fourth week following the semester in which they were enrolled. An incomplete grade administratively turns into the grade of “F” for “Fail” if the course work is not completed by the end of the fourth week.

c. Other Results for Insufficiently Completing a Course

“W” for “Withdrawal” will appear on the student’s permanent record for any course dropped after the end of the first week of a semester to the end of the third week.

Absent the granting of an “I” for Incomplete, “WF” for “Withdrawal/Fail” will appear on the student’s permanent record for any course dropped after the end of the third week of a semester and on or before the Friday before the last week of the semester.

A student who does not complete sufficient coursework to pass a course and does not request a W or a WF will receive an F as the final course grade.

C. At-Risk Online Student Policy

a. Distribution of At-Risk Student Forms

The Academic Dean of Online Learning (“ADOL”) sends the At-Risk Student Form with the Attendance Surveys to the Instructors twice each semester.

The At-Risk Student Form is in the shared files of Populi as well as on the website in the FORMS section, found in the Current Students area.

b. Completion, Submission, and Follow-Up of At-Risk Student Forms

Instructors should complete an At-Risk Student Form for any student who is exhibiting serious deficiencies in attendance or participation, use of online learning technology, comprehension, writing, communication, research, time management, following instructions, or other skills necessary for success in online learning. The Instructor must send the completed form to the ADOL.

The ADOL will email the completed At-Risk Student Form to the Online Learning Office and the Financial Aid Office and inform them of the student’s difficulties. The ADOL will ask the offices to contact the student if needed. The ADOL must ensure that the student is contacted or that reasonable efforts are made to contact the student. Every effort should be made by the student’s advisor to contact student. Any information received should be added to the activity feed. Calls should be documented.

The ADOL will refer the student to the Online Writing Lab, to an English as a Second Language specialist, or to another party for further assistance if advisable. The ADOL may determine whether other actions are needed to help the student succeed.

c. Registering for Subsequent Semesters

The Online Learning Office will post the completed At-Risk Student Form and Incomplete forms in the **Activity Feed** of the student and in the “Show Visibility Options,” and will check Academic Admin, Financial Aid, and Registrar.

A copy of the completed form will be placed in the Student’s folder. Online Learning Office will place a **“Registration Lock”** on the student’s Populi file to prevent the student from self-registering for more classes unless cleared by the ADOL and the Financial Aid Office. The ADOL and the Financial Aid Office may limit the number of courses for which the At-Risk Student can enroll in a subsequent semester.

A student with an At-Risk Student Form or an Incomplete form from the previous semester may not register for more than one course without the approval of the ADOL.

A student with an At-Risk Student Form or an Incomplete form from the previous semester is not allowed a “Self-Registration” tag.

Only the ADOL, in consultation with the Financial Aid Office, may remove a Registration Lock for an Incomplete or an At-Risk Student.

D. Honors

Students in the A.A. (with at least 30 credits from Holy Apostles College and Seminary) or B.A. programs (with at least 60 credits from Holy Apostles College and Seminary), or in the M.A., Post Master's Certificate in Theology, M.Div. or Certificate of Preparation for Ordination programs will be considered by the Academic Dean for Graduation with honors when they complete all degree qualifications with the following cumulative G.P.A.'s:

3.50 - with honors, or *cum laude*;

3.67 - with high honors, or *magna cum laude*;

3.80 - with highest honors, or *summa cum laude*.

Honors will be noted on transcripts and on diplomas.

M. Diplomas

Graduating students receive their diplomas in the mail. There is a mailing charge. Diplomas may be withheld for students who have not paid all outstanding charges or submitted the required copies of their theses or special projects.

The degree of an online student will be noted as "Associate of Arts," "Bachelor of Arts," "Master of Arts Philosophy," "Master of Arts Theology," or "Master of Arts Pastoral Studies."

N. Academic Probation and Dismissal Policy

A freshman student in the A.A. or B.A. programs who does not maintain an average above 2.0 for two semesters will be liable to academic probation. Sophomores, juniors, and seniors must maintain an average of 2.0 or better. Those who incur a "D" in two major subjects are automatically placed on academic probation and must discuss their progress with the Academic Dean each month for the next semester. 12

All students in the M.A., Non-degree Graduate Certificate, or Post Master's Certificate in Theology programs must maintain a cumulative G.P.A. of 3.0 throughout the program. Any student who does not maintain a cumulative G.P.A. of 3.0 may be withdrawn from the program until such time as he or she has improved the cumulative G.P.A. to required specifications. M.Div. or Certificate of Preparation for Ordination students who do not maintain an average above 2.0 for two semesters may be withdrawn from the program.

Any student who falls slightly short of the prescribed standards may be allowed, under certain circumstances, to continue studies on probation, with the understanding that degree candidacy will not continue until work has improved. Students who do not maintain the minimum required G.P.A. after three semesters will be academically dismissed.

Academic probation and academic dismissal will be noted on transcripts.

To be reinstated an undergraduate student needs to raise his or her cumulative G.P.A. to above a 2.0 and a graduate student needs to raise his or her G.P.A. to at minimum a 3.0.

Students should follow their degree plan. The requirements for an A.A. is 60 credits, for a B.A. is 120 credits, for an M.A. is 36 credits, and for a Post-Masters Certificate is 30 credits.

Academic probation and academic dismissal will be noted in Populi, but not on transcripts.

O. Academic Grievance Policy and Procedures

A. Coverage

1. Any Holy Apostles College and Seminary's undergraduate or graduate student who believes that he or she has been subjected to an improper decision on an academic matter other than matters related to grading² is entitled to file a grievance to obtain an independent review of the allegedly improper decision, followed by corrective action if appropriate. A grievance is a complaint in writing made to an administrative officer of Holy Apostles concerning an academic decision, made by a person or group of persons acting in an official capacity at Holy Apostles College and Seminary that, it is alleged, directly and adversely affects the student as an individual in his or her academic capacity.
2. Grievance procedures apply only in those cases involving a perceived academic impropriety arising from a decision taken by: (1) an individual instructor; (2) the Registrar, the Academic Dean, the Faculty Senate Committee or subcommittee charged to administer academic policies of Holy Apostles College and Seminary. They do not pertain to complaints expressing dissatisfaction with a policy of general application challenged on the grounds that the policy is unfaith or inadvisable. Such procedures also do not apply to matters regarding assigned grades (see, Footnote 1)

B. Grievance and Appeal Procedures

1. *Informal Attempts at Resolution:* the student first should discuss the matter, orally or in writing, with the individual most directly responsible. If no resolution results, the student should then consult with the Academic Dean. Efforts should be made to resolve the issues at an informal level without the complaint escalating to the status of a formal grievance.
2. *The Filing of the Grievance:*
 - i. If informal means of resolution prove unsatisfactory, the student should set forth in writing a statement of the decision that constitutes the subject matter of the dispute, the grounds on which it is being challenged, and the reasons why the grievant believes that the decision was improperly taken. The statement should also include a description of the remedy sought and the informal efforts taken to date to resolve the matter.
It is at this point that the complaint becomes a formal grievance. The grievance should include an allegation of any adverse effects on the grievant, known to the grievant at the time of filing.
 - ii. The grievance document should be submitted to the Academic Dean; for a grievance concerning a decision of the Academic Dean or of the Senate Faculty committee or subcommittee, the procedures set forth herein for grievances and appeals shall be modified as stated in Section C below. A grievance must be filed in a timely fashion, that is, normally within 30 days of the end of the academic semester in which the adverse

decision occurred or should reasonably have been discovered. A delay in filing a grievance may, taking all circumstances into account, constitute grounds for rejection of the grievance.

3. *The Response to the Grievance:*

- i. The Academic Dean shall consider the grievance. The Academic Dean may attempt to resolve the matter informally or make whatever disposition of the grievance that he or she deems appropriate. The Academic Dean may, in appropriate cases, remand the grievance to a lower administrative level (including to the level at which the grievance arose) for further consideration.
- ii. The Academic Dean may also refer the grievance, or any issue therein, to any person (the "grievance officer") who shall consider the matter and report to the Academic Dean as the latter directs. The Academic Dean shall inform the grievant (and the party against whose decision the grievance has been filed) in writing of any referral of the matter and shall specify the matters referred, the directions to the person or persons to whom the referral is made (including the time frame within which the person is to report back to the Academic Dean), and the name of that person.
- iii. In undertaking the review, the Academic Dean or the grievance officer may request a response to the issues raised in the grievance from any individuals believed to have information considered relevant, including faculty, staff and students.
- iv. Should attempts to resolve the matter informally not be successful, the Academic Dean shall decide the grievance, and shall notify the grievant (and the party against whose decision the grievance has been filed) in writing of the disposition made of the grievance and the grounds for the disposition at the earliest practicable date after his or her receipt of the grievance.
- v. Normally, no more than 60 days should elapse between the filing of a grievance and the disposition by the Academic Dean.
If, because of absence of key persons from the campus or other circumstances or exigencies (including those due to breaks in the academic calendar), the Academic Dean decides that disposition on that schedule is not possible, he or she shall inform the grievant (and the party against whose decision the grievance has been filed) of that in writing, giving the grounds therefore and an estimate of when a disposition can be expected.

4. *The Filing of an Appeal:*

- i. If the grievant is dissatisfied with the disposition of the grievance at the Academic Dean level, either on substantive or on procedural grounds, he or she may appeal in writing to the President/Rector.

The appeal must specify the particular substantive or procedural bases of the appeal (that is, the appeal must be made on grounds other than general dissatisfaction with the disposition) and must be directed only to issues raised in the grievance as filed or to procedural errors in the grievance process itself, and not to new issues. The appeal shall contain the following:

1. A copy of the original grievance and any other documents submitted by the grievant in connection therewith.

2. A copy of the determination made by the Academic Dean on that grievance.
3. A statement of why the reasons for the determination of the Academic Dean are not satisfactory to the grievant. This statement should specifically address the matters set forth in the Standards for review in Section D below.
- ii. The grievant shall file his or her appeal at the earliest practicable date after the grievant's receipt of the determination by the Academic Dean. Normally no more than 30 days should elapse between the transmittal of the Academic Dean's decision on the grievance and the filing of the appeal. A delay in filing an appeal may, taking all circumstances into account, constitute grounds for rejection of the appeal.
5. *The Response to the Appeal*
 - i. The President/Rector may attempt to resolve the matter informally, or refer the appeal, or any issue thereof, to any person (the "grievance appeal officer") who shall consider the matter and report to the President/Rector as the latter directs. The President/Rector may also, in appropriate cases, remand the matter to a lower administrative level (Including to the level at which the grievance arose) for further consideration.
 - ii. The President/Rector shall inform the grievant (and the party against whose decision the grievance has been filed) in writing of any referral of the matter and shall specify the matters referred, the directions to the person to whom the referral is made (including time frame within which the person is to report back to the President/Rector), and the name of that person.
 - iii. Should attempts be made to resolve the matter informally not be successful, the President/Rector shall decide the appeal, and shall notify the grievant (and the party against whose decision the grievance has been filed) in writing of the disposition made of the grievance and the grounds for the disposition at the earliest practicable date after his or her receipt of the appeal. The decision of the President/Rector shall be final.
 - iv. Normally no more than 45 days should elapse between the filing of the appeal and the disposition by the President/Rector. If, because of absence of key persons from the campus or other circumstances or exigencies (including those due to breaks in the academic calendar), the President/Rector judges that disposition on that schedule is not possible, he or she shall inform the grievant (and the party against whose decision the grievance has been filed) of the fact in writing, giving the grounds therefore and an estimate of when a disposition can be expected.

C. Grievances Concerning Decisions of the Academic Dean or of a Senate Committee or Subcommittee

1. For a grievance concerning a decision of the Academic Dean or the Faculty Senate committee or subcommittee, the grievant shall file his or her grievance with the President/Rector, rather than with the Academic Dean, and the President/Rector shall handle that grievance in accordance with the procedures set forth in Section B(3) above.
2. There shall be no appeal of the President/Rector's disposition of that grievance.

D. Standards for Review and Procedural Matters

1. The review of grievances or appeals shall usually be limited to the following considerations:
 - i. Were the proper facts and criteria brought to bear on the decision? Were improper or extraneous facts or criteria brought to bear that substantially affected the decision to the detriment of the grievant?
 - ii. Were there any procedural irregularities that substantially affected the outcome of the matter to the detriment of the grievant?
 - iii. Given the proper facts, criteria, and procedures, was the decision one which a person in the position of the decision maker might reasonably have made?
2. The time frames set forth herein are guidelines. They may be extended by the relevant administrative officer in his or her discretion for good cause.
3. Questions concerning the filing and/or appeal of grievances should be directed to the Office of the President/Rector

If all institutional avenues in this grievance process have been exhausted, and the student's concern has remained unaddressed, students are encouraged to contact the complaint office in their state. The most comprehensive list of student complaint information contact information was compiled by the National Council for State Authorization Reciprocity Agreements (NC-SARA) and is available here: <https://www.nc-sara.org/content/sara-and-students#student-complaint>

Additionally, students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by Holy Apostles College and Seminary to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office

Questions regarding FERPA and the procedures followed by the College to comply with the act may be referred to the office of the academic dean or of the registrar.

P. Leave of Absence Policy

Holy Apostles College and Seminary offers students in good standing, as defined by Holy Apostles College and Seminary's uniform suspension policy and not subject to disciplinary action, the opportunity to request an academic leave of absence. The academic leave of absence is designed for the student who wishes to be away from his/her academic endeavors at Holy Apostles College and Seminary for one or more semesters but intends to return at a later date. Reasons students take a leave include: health issues, financial difficulties, study abroad opportunities, familial obligations and personal issues.

Undergraduate students considering taking a leave of absence are encouraged to talk with the Academic Dean or the Registrar about options, the process of taking a Leave of Absence and the procedure and timeline of seeking readmission.

Q. Military Leave of Absence Policy

Holy Apostles College and Seminary supports its students who are on active duty or members of a military reserve unit or the National Guard and are called into active military service by the United States. To assist them as well as protect and safeguard their status as students, Holy Apostles College and Seminary has adopted the following guidelines:

Leave of Absence from Holy Apostles College and Seminary:

- A student in good standing should immediately file a request for a leave of absence with the academic dean along with a copy of the military orders.
- If granted, the leave of absence generally will be granted for one year. The academic dean is, however, encouraged to grant any request to extend the leave of absence should military service require more than one year. To facilitate the return process, the Academic Dean's Office will notify the Registrar so the student's record will be flagged as a leave of absence for military service.
- The student will receive a full refund of tuition and fees paid to Holy Apostles if the request for a leave of absence/withdrawal for military service is filed prior to the last day to drop classes.
- The student will have a choice of three options if the request for a leave of absence/withdrawal is received after the last day to drop classes:
 - a. A full refund of tuition and fees, no credit awarded for work completed during the semester
 - b. An Incomplete grade in all courses with the right to complete all coursework at a future date without further payment of tuition or fees and a designation that the incomplete was incurred due to active military service.
 - c. A grade in each course, if the professor of each class believes sufficient work has been completed.

Options b and c may be combined should circumstances warrant.

All applicable financial aid awards will be refunded to the appropriate agencies, and repayments of federal student loans will be calculated in accordance with federal guidelines.

While Holy Apostles College and Seminary will make every effort to accommodate students returning from active duty, placement in certain programs cannot be guaranteed.

Students will be required to return university property, such as keys, computer equipment, and library books in order to receive a refund or re-enroll.

Re-enrollment for Military students:

- A student shall be guaranteed a place in a class at the beginning of the semester in which they seek to re-enroll.
- If a student elected to take an incomplete in a course, the student upon re-enrollment should complete the courses within the first six weeks. If the course is no longer offered or if the faculty member is no longer with Holy Apostles, the returning student will receive a full tuition credit for a replacement course.

A policy cannot address every circumstance that may arise when students are called to active duty. A student should consult with the Academic Dean. Appeals of a decision by the Academic Dean may be made to the President/Rector.

R. Re-Admittance Policy

Readmission is the act of restoring active-student status to former students who have withdrawn from Holy Apostles College and Seminary or had their student matriculation interrupted by a lapse of their student status (for failure to pay fees, failure to satisfy the entry level writing requirement, failure to enroll in future semesters, or failure to graduate).

Readmission Criteria

A student who left Holy Apostles College and Seminary in good standing and is seeking to return under the same major on record will be automatically approved for readmission to that major provided:

- the student is not on probation or subject to disqualification from an accredited institution he/she may have attended during their time away from Holy Apostles College and Seminary, all applicable official transcripts from institutions of higher education are submitted six weeks before the term of readmission to the Office of the Registrar, and the Statement of Legal Residence petition is resubmitted.

A student who has petitioned to be readmitted (but under a different major) must also obtain the approval of the Academic Dean. Transfer to “undeclared” status will not be permitted if the student’s class standing would be equivalent to junior standing or higher.

Reinstatement is the act of restoring active-student status to former students who left Holy Apostles College and Seminary in academic difficulty (academic probation, special probation, subject to disqualification, or academically dismissed). It is expected that all official transcripts from other institution(s) with course work for all terms prior to the current semester would be submitted with the reinstatement application, and that a final set of official transcripts then be provided to Holy Apostles College and Seminary at the conclusion of that current semester of enrollment demonstrating the completion of an acceptable number of units (normally 24 semester units).

Any decision by Holy Apostles College and Seminary to accept the application of reinstatement will be provisional until Holy Apostles has received the final official transcripts showing the academic performance of the current term of attendance at another institution(s) of higher education.

All final decisions for reinstatement will be made by the Academic Dean. It is possible that if the student's academic performance at another institution does not meet the expectations outlined by the application for reinstatement, the decision to be reinstated could be revoked by the Academic Dean.

Reinstatement of a student who has been dismissed from the College will be at the discretion of the Academic Dean. If a reinstatement is approved, the student will be monitored on probation by the Academic Dean for minimum of one semester.

No petition for reinstatement will be considered if a student is academically dismissed for a second time at any time after initial reinstatement.

STUDENT CONDUCT

Holy Apostles College and Seminary has adopted a Student Code of Academic Conduct Policy to protect the rights of students, faculty, and staff at Holy Apostles. This code ensures that the learning community at Holy Apostles is one characterized by mutual respect, civility and good citizenship.

All Holy Apostles College and Seminary's students, both residential and online, as members of the academic community, are expected to accept and adhere to these high standards of personal conduct.

Students shall:

- Treat all members of the academic community with courtesy, respect and dignity.
- Comply with directions of College and Seminary officials acting in the performance of their duties.
- Treat the campus itself with respect, including buildings, grounds and furnishings.
- Respect the rights and property of other members of the academic community.
- Fulfill their obligations through honest and independent effort and integrity in academic and personal conduct.
- Accept responsibility for and the consequences of their actions and encourage responsible conduct in others.
- Respect the prohibition of possession, consumption, distribution and provision of alcohol on campus and the illegal possession, use, distribution and provision of controlled substances.
- Abide by all published policies including but not limited to those that appear in Holy Apostles' Catalog and Student/Seminarian Handbooks.
- Refrain from any contact with firearms on campus and from tampering with fire safety equipment in campus buildings.
- Have no firearms, weapons or any other item designed to inflict harm or damage on campus.

Readmittance to another academic program after attaining senior standing (90 credits) will also not be permitted. Students who are not allowed to transfer to another accredited institution will not meet the criteria for readmittance. Additionally, students will not be permitted to return to Holy Apostles College and Seminary if they carry an equivalent cumulative transfer GPA less than a 2.0 (undergraduate) or 3.0 (graduate) at another accredited institution after leaving Holy Apostles.

For graduate level students, the G.P.A. earned must be a minimum of 3.0 (out of 4.0).

Students who wish to apply for re-admittance to Holy Apostles College and Seminary should petition the Office of the Academic Dean in writing and have official transcripts forwarded to the office. The Academic Senate will review each case and make a decision. Holy Apostles College and Seminary reserves the right to refuse re- admittance to any academically dismissed student.

A student dismissed from the Seminary Division program will not be considered for re- admittance for a minimum of two years.

A. Reinstatement Policy

Reinstatement is the act of restoring active-student status to former students who left Holy Apostles College and Seminary in academic difficulty (academic probation, special probation, subject to disqualification, or academically dismissed). It is expected that all official transcripts from other institution(s) with course work for all terms prior to the current semester would be submitted with the reinstatement application, and that a final set of official transcripts then be provided to Holy Apostles College and Seminary at the conclusion of that current semester

The Student Code of Academic Conduct, as well as the guidelines outlining the adjudication of conduct-related offenses provided below, applies to all Holy Apostles College and Seminary's students and seminarians.

B. Academic Integrity

Holy Apostles expects students to fulfill their academic obligations through honest and independent effort. In a community of scholars committed to truth, dishonesty violates the code of ethics by which we live and is considered a serious offense subject to strong disciplinary actions. Academic misconduct includes but is not limited to the following:

- Knowingly furnishing false or misleading information.
- Falsification, alteration or misuse of college forms or records.
- Any joint effort in examinations, assignments or other academic activity unless authorized by the instructor.
- Plagiarism in any form; using another's phrase, sentence or paragraph without quotation marks; using another's ideas or structure without properly identifying the source; or using the work of someone else and submitting it as one's own. For more detailed information, please consult Holy

Apostles College and Seminary's *Policy on Plagiarism and Cheating*, which is incorporated by reference herein.

- Violating any provision contained in Holy Apostles College and Seminary's *Information Technology Appropriate Use Policy*.
- Willfully aiding another in any act of academic dishonesty. Holy Apostles College and Seminary is equally concerned about the interpersonal social relationships that affect the learning environment. Respect for the conditions necessary to enhance learning is, therefore, required.

C. Multiple Submissions Policy

Any work done for academic credit, in addition to its accurately representing Church teaching, should serve as a substantive demonstration of a student's having been intellectually formed by the class for which he or she is writing. To that end, students may not make multiple submissions of their academic work without first seeking permission from the course professor to whom they desire to submit their work and sharing with that course professor the original work and any comments made on it by the professor to whom it was originally submitted. In the case where the work intended for submission will be sent to two or more course professors for credit in the same semester, permission must be granted in advance by all course professors who will be receiving it. Work that is substantially the same content presented in different formats (e.g., once as an essay for one class and then as a PowerPoint for a different class) is also considered a multiple submission. Violations of this policy may lead to a faculty member's not accepting for credit the work a student has submitted.

D. In-Class Conduct

Students are expected to conduct themselves on campus and in class so others are not distracted from the pursuit of learning. Discourteous or unseemly conduct may result in a student being asked to leave the classroom. Persistent misconduct on the part of a student is subject to disciplinary action. Some examples of classroom misconduct that will not be tolerated include, but are not limited to the following:

- a. Disorderly conduct
- b. Harassment
- c. Verbal abuse
- d. Assault
- e. Interference with the educational opportunity of other students
- f. Attending class under the influence of alcohol or other drugs

E. Personal Conduct

Students may be disciplined for conduct, which constitutes a hazard to the health, safety, or well-being of members of the college community or which is deemed detrimental to the interests of the college and seminary. These sanctions apply whether or not such conduct occurs on campus, off campus, at college-sponsored or non-college-sponsored events. Disciplinary action may be taken regardless of the existence of any criminal proceedings that may be.

F. Reporting Violations and Judicial Procedures

All alleged violations should be reported by faculty members to the Office of the Academic Dean. Centralization of authority, responsibility and record-keeping is essential for fair and impartial administration of the Student Conduct Code. Students should report cases to the instructor or to the Academic Dean. The Academic Dean shall inform the instructor of alleged violations that have been reported by students.

Where cheating is discovered or suspected, the instructor should inform the student(s) involved and undertake an investigation of the matter. If the instructor is then convinced that a violation did occur, the following procedure should be used:

If the student admits a violation, the instructor may assign a grade of "0" or "F" to the examination or assignment on which cheating, plagiarism or other academic dishonesty occurred. If the student admits a violation of this Code not involving dishonesty (e.g. talking during an exam, but not sharing answers), the faculty member may assign an appropriate grade penalty. In either case, the name of the student and a brief description of the incident should be reported to the Academic Dean for determination of the appropriate disciplinary penalty. Reporting is essential to assure that repeat offenders are penalized accordingly.

If the student does not admit a violation, the instructor should refer the case to the Academic Dean, who will attempt to resolve the matter informally and, if necessary, arrange for adjudication by a faculty-student committee.

Any contested accusation of cheating, plagiarism or other academic misconduct in an examination or assignment submitted by a student to satisfy course requirements will be adjudicated by a faculty-student committee appointed by the Academic Dean in consultation with the President/Rector of Holy Apostles College and Seminary. In this case, the instructor should withhold the student's grade until after adjudication.

If, after adjudication, the student is found in violation, the grade should be assigned in accordance with paragraph 7 under "Responsibility of Faculty," *supra*.

If there is no violation, the instructor shall assign a grade based on the quality of the work completed. A student who is dissatisfied with the decision in his or her hearing may appeal the decision.

Grades are an evaluation of academic performance, and their assignment is a responsibility resting solely with the faculty consistent with the authority granted to the Academic Senate by the Regents. The assignment of "0" or "F" to work or tests in which academic dishonesty or other academic misconduct has occurred is based on the premise that the examination or assignment cannot be regarded as the student's own work and thus is invalidated and/or the student's violation is unfair and/or disruptive and thus harmful to the instructor and others in the class. The instructor shall not apply a more severe grade adjustment than recording a "0" or "F" on the specific assignment or test on which misconduct occurred. Where an instructor has referred a case for adjudication but has not received a report confirming a violation at the time that the course grades are due, submit a grade of "I" for the student on the grade report form.

Specific procedures to be followed in the adjudication of cases of academic misconduct have been established by Holy Apostles College and Seminary. Procedural fairness is basic to the proper enforcement of Holy Apostles College and Seminary's policies and campus regulations. Procedures must ensure fairness not only for students accused of academic dishonesty but also for victims of dishonest acts, e.g., other students. The confidence of students and instructors in the procedures must be maintained.

STUDENT RECORDS

A. Transcript Request Policy

Transcripts may be requested from the Office of the Registrar. The request must be in writing in a letter or by sending the Transcript Request Form which can be printed from the website. The fee for transcripts must be paid with the request. The request will be processed within 3 weeks (15 business days).

Official transcripts bear the signature of the Registrar and the School Seal; they are typically sent to potential employers or schools. Unofficial transcripts do not bear the signature of the Registrar or the School Seal; they are issued directly to the student.

B. Privacy of Academic Records

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the College receives a request for access.

Students should submit to the registrar or academic dean written requests that identify the record(s) they wish to inspect. The registrar or academic dean will make arrangements for access and notify the student of the time and place where the records may be inspected.

If the records are not maintained by the registrar or academic dean, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask Holy Apostles College and Seminary to amend a record that they believe is inaccurate or misleading. They should write the registrar, academic dean or other official responsible for the record, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading.

If Holy Apostles College and Seminary decides not to amend the record as requested by the student, Holy Apostles will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the students' education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by Holy Apostles College and Seminary in an administrative, supervisory, academic or research, or support staff position; a person or company with whom Holy Apostles College and Seminary has contracted (such as an attorney, auditor or collection agent); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, Holy Apostles College and Seminary discloses education records without consent to officials of another school, upon request, in which a student seeks or intends to enroll.

Another exception that permits disclosure without consent is the disclosure of directory information, which the law and Holy Apostles College and Seminary define to include the following: a student's name, home and campus address, email address, telephone listing, parents' name and address(es), date and place of birth, major field of study, participation in officially recognized activities, dates of attendance, degrees and awards received, photograph and the most recent previous educational agency or institution attended. This information is generally disclosed only for school purposes, such as news releases, and not to outside vendors.

This exception is subject to the right of the student to object to the designation of any or all of the types of information listed above as directory information in his or her case, by giving notice to the dean of students on or before September 15 of any year. If such an objection is not received, Holy Apostles will release directory information when appropriate.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Holy Apostles College and Seminary to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

*Family Policy Compliance Office
U.S. Department of Education 400 Maryland Avenue, S. W.
Washington, DC 20202-4605*

Questions regarding FERPA and the procedures followed by the College to comply with the act may be referred to the office of the academic dean or of the registrar. For more information, see also <http://www2.ed.gov/policy/gen/guid/fpc/brochures/parents.html>

C. Record Retention Policy

The following is the policy for record retention for both on campus and online student files. The Registrar is the ultimate authority on student records and their retention. The Registrar will train and supervise employees who deal with records. When there is doubt as to what should be done with particular records, the Registrar should be contacted.

a. Current Students – Record Retention

For students who are currently enrolled in a degree program or as personal interest the following information must be maintained in the student's file. Status is determined from the date of entry into their degree program which can vary 6-10 years.

- Application for Admission
- Letters of Reference / Essays
- Letter of Acceptance
- All Semester Course Registration Forms
- All Course ADD / DROP Forms
- All Loan Deferment Forms
- All Transcript request forms / dated and signed Official Transcripts
- Any HA Policy Forms – (e.g., Disability, FERPA, Leave of Absence)
- Immunization forms
- Other institutional transcripts / High School Record
- HA transcripts – per semester until graduation. Once checked, just keep graduated final transcript.
- Testing Monitor Information
- Proof of Passing MA Comprehensive Exam or MA Thesis
- Copies of any payments
- Emails / phone messages / memos

b. Graduated Students – Permanent Record Retention

The following is a list of items that must remain permanently in the student's file once they have graduated.

- Application for Admission
- Letters of Reference / Essays
- Letter of Acceptance
- Foreign institutional transcripts and High School Records
- Final HA Transcript

c. Digitalization

To minimize the amount of file storage required, some type of digital or electronic format will be considered for storage. This is particularly important for student records that pre-date Scholar as the Registrar's Office only has paper files.

d. Incomplete Application Form

Due to the large volume of applications for admission (mainly online) that are never completed, a letter will be mailed to the student after one year from the date of the application. That letter will inform the prospective student that all of his/her records will be destroyed by a determined date if we do not hear from him/her by that determined date.

e. Accepted Student – Never Enrolled

Because some accepted students never enroll, a letter will be mailed to the student after one year from the date of acceptance. That letter will inform the accepted student that all of his/her records will be destroyed by a determined date if we do.

GRADUATE PROGRAMS

A. Master of Arts in Theology Program

Program Director: Dr. Cynthia Toolin-Wilson

a. Summary of the Master of Arts in Theology Program

The Master of Arts in Theology program is a course of study designed to give both a broad acquaintance with the major theological disciplines, and the opportunity to choose a concentration. It is a flexible program designed to prepare men and women for ministry, teaching religion or theology, for a subsequent Post Master's Certificate, licentiate or doctoral work, or for integrating their existing life and profession with a theological component. A student may concentrate in Apologetics (available online only), Bioethics, Church History, Dogmatic Theology, General Studies, Moral Theology, Sacred Scripture, or Thomistic Studies..

The student must take 36 semester hours of graduate coursework and complete the degree requirements with a G.P.A. of 3.0 or better. Students who aspire to pursue more advanced degrees beyond the M.A. may elect to write an M.A. Thesis. The thesis may be given 3 credits toward the degree program. All students must take four core courses and complete a summative evaluation. There is a six-year time limit from entry into the program for completion of the degree requirements.

b. Admission Requirements

- Applicants to the M.A. program must have a Bachelor's degree with a cumulative G.P.A. of at least 3.0 (B).
- In general, incoming students are required to take the co-requisite courses, *PHS607 Philosophy for Theologians* and *DTH 600 Faith and Revelation*.

A candidate for the M.A. in Theology is required to complete course work from appropriate areas of graduate study. Theology students must choose from one of eight areas of concentration for their studies: Apologetics, Bioethics, Church History, Dogmatic Theology, General Studies, Moral Theology, Sacred Scripture, or Thomistic Studies.

The following descriptions provide an overview of each area of graduate study and specify course work normally required for the M.A. in Theology.

All candidates for the M.A. degree are required to complete a Summative Evaluation exercise.

Students enrolled in the M.A. in Theology for the first time in fall 2019 or later must follow the process for the Summative Evaluation as described in this catalog. They must enroll in ENG 890 *Summative Evaluation: Comprehensive Exam and Professional Paper (Theology)* to prepare for, and take, the comprehensive exam, and to learn how to write a professional paper, which must be completed in the semester following enrollment in ENG 890. This course would replace one elective. Exceptional students may write a thesis, which requires enrolling in ENG 891 *Academic Research, Design, and Writing*, followed by enrolling in the thesis itself, if the proposal was approved. These two courses would be in lieu of taking the two electives.

Students enrolled in the M.A. in Theology in the summer of 2019 and prior, can elect to switch to the process for the Summative Evaluation described above in this catalog, or the process in the catalog under which they first enrolled.

Summative Evaluation for M.A. in Theology students prior to Fall 2019 and for all M.A. in Philosophy students regardless of enrollment date can fulfill the summative evaluation by passing an M.A. comprehensive exam OR writing an M.A. thesis. If writing a thesis, students will have no elective courses, otherwise there are two.

M.A. in Pastoral Studies students can fulfill the summative evaluation only by passing an M.A. comprehensive exam. Students will have two elective courses.

A. Master's Thesis Process

(For all M.A. in Theology students enrolled prior to Fall 2019, or M.A. in Philosophy students regardless of date enrolled. Exceptional M.A. in Theology students enrolled in Fall 2019 or later, can write a thesis is approved by the appropriate academic dean.)

The Master of Arts thesis indicates scholarly competence in a topic in the student's area of concentration. For that reason, students may elect to receive 3 credits for writing it so that it will count toward completion of the degree requirement of 36 credit hours.

Any guests along with the Student must be dismissed when the Advisor and the Reader or Reviewer confer regarding final evaluation of the Summative Evaluation. Guests are not to be readmitted when the Advisor informs the Student of the final evaluation.

Practical, or pastoral theology is the “practical application of scientific theology to the care of souls in the sacred ministry”(John A. Hardon, *Modern Catholic Dictionary*). Unfortunately, in today's world, the “unrestricted application of scientific methods to matters of faith appears to be sheer presumption, whereby man oversteps his limits and undermines his own foundations” (Joseph Ratzinger, *The Nature and Mission of Theology*, 8). Consequently, *practical* theology must first be grounded in theology itself.

Firmly rooted in “scientific theology,” the course seeks to apply the doctrinal truths of the Faith to various pastoral situations confronting today’s minister. Since Sacred Scripture is to “inspire all pastoral work,” this course copiously invokes it (Benedict XVI *Verbum Domini*#73).
