

STATE OF CONNECTICUT
Office of Higher Education

June 30, 2018

Very Rev. Douglas L. Mosey, C.S.B.
President-Rector
Holy Apostles College and Seminary
33 Prospect Hill Road
Cromwell, CT 06416

Dear President Mosey:

I am writing to confirm that the Office of Higher Education took the following action regarding the reaccreditation of Holy Apostles College and Seminary, based on documents submitted by the College:

Connecticut General Statute Section 10a-34(i) states that "the Office of Higher Education shall accept regional accreditation in satisfaction of the requirements of this subsection unless the Office finds cause not to rely upon such accreditation." The letter of notification dated June 12, 2018 from the Commission on Institutions of Higher Education, New England Association of Schools and Colleges, confirms the reaccreditation of the institution. The Office of Higher Education accepts the NEASC assessment and grants accreditation to Holy Apostles College and Seminary until June 30, 2021.

X Conditions. The College will provide the Office of Higher Education with a copy of any actions regarding reaccreditation from the New England Association of Schools and Colleges and any progress reports the Commission may require including the institution's 2020 Fall interim report.

The Office of Higher Education thanks you and the staff at College for your cooperation during this review process.

Sincerely,

A handwritten signature in black ink that reads "Keith M. Norton".

Keith M. Norton
Acting Executive Director
