

## CLEP Test Acceptance Policy

Students who pass the College Level Examination Program (CLEP) test for subjects in which Holy Apostles College & Seminary offers undergraduate courses may transfer a maximum of 15 credits into either the AA or BA degree programs. CLEP credits count towards the total number of transfer credits allowed. If the number of CLEP credits combined with the credits transferred from other institutions exceeds the number of transfer credits allowed, Holy Apostles may instead waive the requirement for the student to take a course in the CLEP subject area and allow the student to replace it with a different course.
